Chrysoprase 36 mm Approx 57 carats \$1878

Chrysoprase. The rarest gem in the quartz family. Only a few mines left that produce the highest grades that are available to gem artists. The rest have sold out to Chinese and rough is unavailable. The chrysoprase here and my stock were hand picked for me by the mine owners

Paypal and certified check payments ship immediately. Personal checks must clear before we ship. If you are not completely satisfied after receiving your shipment, return it within 7 days after receipt for a full refund, excluding shipping.

Note: Items must be returned in the same condition as received.
